

Get a \$60 reward *before it cools off!*

Schedule a pickup of your old fridge or freezer by August 31, 2018, and you'll receive an increased reward of \$60 for recycling it.

In addition to the \$60 you'll receive for responsibly recycling your old fridge or freezer, you can save up to \$150 a year on your electric bill by not running your old appliance.

Schedule your free pickup today

Go to efficiencysmart.org/galion-ohio and select "Appliance Recycling" or call **844-260-3487**.

Efficiency Smart's Appliance Recycling initiative is one of several energy efficiency services offered to your community in partnership with your municipal electric utility. Appliance recycling is funded on a first-come first-served basis until funding is exhausted. Refrigerators and freezers turned in for recycling must be in working (cooling) order, between 10 and 30 cubic feet, owned by the customer of a participating utility, and picked up from the residential address listed on the billing account. Three units max per customer, per year. Other restrictions may apply. For more information, visit www.efficiencysmart.org
